

In order to make materials available to all persons on an equal basis, the Frances Banta Waggoner Community Library Board of Trustees has adopted the following policy for the circulation of library materials.

Confidentiality

In an effort to protect patron confidentiality, library staff will not disclose patron account information to anyone other than the card holder, unless the card holder is present at the time of inquiry and has given permission. This policy does extend to those records involving patrons under the age of 14 and the developmentally disabled. Caregivers should be aware that if they want information about the items their child has checked out, the child must be present with the parent to request the information. The library will release information to the parent or guardian of a minor child for the purposes of recovering overdue material and settling accounts for lost, late, or damaged material, and for other matters related to the recovery of material or charges incurred by minor children for which a parent or guardian may be considered liable. Information will not be provided to parents or guardians who are merely attempting to determine what library materials their minor children are using. See the library's *Confidentiality Policy* and Iowa Code 22.7 "Examination of Public Records—Open Records" (Appendix B). *ALA Code of Ethics* (Appendix C).

Custodian of Records

The Library Director or the Director's designee is the official custodian of library records. The custodian of the Library records shall not release confidential records without a court order pursuant Iowa Code 22.7(13). Please see the library's *Confidentiality Policy* for details.

Who May Borrow:

- a. The Frances Banta Waggoner Community Library is an Open Access Library. Other Iowa library cardholders may borrow under the Iowa Library Services/State Library of Iowa Open Access Program. Proper Identification must be provided.
- b. Free library registrations will be issued to residents of the City of DeWitt and rural Clinton County. The Clinton County libraries of Calamus, Camanche, Clinton, Lost Nation, and Wheatland receive free library service from DeWitt under the Open Access Program through the Iowa Library Services/State Library of Iowa.
- c. The cities of Goose Lake, Low Moor, and Grand Mound agree to pay a sum based on per capita for the purpose of supporting library service according to a contract with the Clinton County Association of Public Libraries, Inc. These cities can register at any library in Clinton County.
- d. The cities of Charlotte, Delmar, Toronto, and Welton have not contracted with the Clinton County Association of Public Libraries, Inc. and are charged an annual fee of \$50.00 per

family. This fee may be reimbursed by the patron's city of residence upon presentation to the city clerk of a signed receipt from the Frances Banta Waggoner Community Library. In most cases, the library will bill the city for the patron registering for borrowing privileges.

- e. Out of state residents may apply for a library card for a \$50.00 annual fee. Payment is to be received at the time of application and each time membership is renewed. Non-payment at time of renewal will automatically suspend library privileges.

Adult Library Cards:

Adult library cards are issued free of charge to individuals 14 years or older. To obtain a card, please present at least one piece of identification to verify current address and a photo ID.

Examples of identification may include, but are not limited to:

Valid driver's license

A valid passport

Valid student ID

Mortgage statement

Current utility bill

Current rental/lease agreement

Workplace photo ID Card

Piece of mail with name and address, mailed within 30 days

Children's Library Cards:

Children may get a library card at any age. A parent or guardian must sign for any child under the age of 14, and show their current library card or other identification. Parents are responsible for loss or damage to materials checked out on their child's card. The child must be present at time of registration.

Children may use any resources in the library and parents are responsible for their child's selection of materials. Library staff does not place restrictions in quantity or selection/access of content on cardholders of any age. We encourage parents to take an active interest in their children's reading, and discuss with them appropriate uses of technology and library materials.

Cardholder's Responsibilities:

- a. Cardholders are responsible for all materials checked out on their library card. It is the responsibility of library users to notify the library of any address or contact changes. Cards are for use of the cardholder and should not be loaned out to other patrons.
- b. A valid library card or a photo ID must be presented in order to check out material. If a patron has forgotten their card, an exception may be made, but not on a regular basis. Proof of identification may be requested if the patron has forgotten their card. Library staff will not check out materials to another patron's account unless that patron is present at the time of check-out and has given their permission.

- In an effort to provide good customer service, if a patron cannot produce a library card or photo ID at the time of checkout, staff will offer to place the item(s) on hold for the patron for up to five business days.
 - ~~Patrons also have the option to have their photo taken at the library and uploaded into the library's management software for the occasions where they forget to bring a photo ID along with them. This photo will be updated at the time of card renewal.~~
- c. Library patrons are responsible for materials checked out to their accounts. If an item is lost or damaged while under their care, it is the responsibility of the patron to pay for replacement costs. If unsure if an item is damaged due to age/normal wear and tear, bring the item to the library for assessment by staff. The library does not accept replacement copies of an item in lieu of payment for damaged or lost materials.
 - d. If a card is lost or stolen, please notify the library immediately. There is a \$1.00 replacement fee for lost or damaged cards.
 - e. Patron information and what any person borrows from our library will be confidential, regardless of the person's age.
 - f. The Library assumes no responsibility for damage caused to the borrower's DVD player by a library DVD. Patrons are responsible for the proper care of DVDs so damage or scratching won't occur.
 - g. DVDs, books on CD, music CDs, or Video Games may not be returned in the library's outdoor book return. Should damage occur as a result of being returned in the outside book return, the patron will be charged for the item.
 - h. The library provides reminders when items are checked out, and will attempt to reach patrons if materials checked out to their account are past due, however it is ultimately the patron's responsibility to ensure materials are returned to the library on time.

Loan Periods:

The below schedule outlines the lending period of specific materials within the larger physical library collection offerings. These lending periods are based on the size of the collection and popularity of those items within that collection. All materials can be renewed for a maximum of 3 times, as long as no other library users have placed holds on those items.

Print Materials, Audiobooks, Video Games, & Music CDs: 2-week check-out period, limit of 2 video games per household

DVDs: 1-week check-out period, with a limit of 5 DVDs per household

Magazines: Most current issue is not available for checkout, in-house availability only. Magazines that have been in collection for 2-12 months may be checked out for 2 weeks

Museum Passes: The library has a limited number of museum passes that can be checked out for 3-days, one pass per household. Open Access patrons are not eligible to check out museum passes at this time. Other restrictions on passes may vary depending on the institution. Please see library staff for more information.

Interlibrary Loans: Due dates for Interlibrary Loans are determined by the lending library.

Fine Policy:

Monetary fines for overdue materials are a long-standing practice in libraries as a way to motivate library users to return materials on time in the future. However, it is the opinion of the Library Staff and Library Board that this practice is unfairly punitive to the vast majority of library users who mostly do their best to adhere to due dates—but may make the occasional mistake from time to time. Therefore, the library does not collect late fees on FBWC Library materials returned after their due date.

However, once items are 30 days overdue, patrons will be charged the full replacement cost of each item. Once the patron is sent a bill, they can either a) pay the total amount listed on the bill or b) return the items to the library *in good condition* within 30 days of the date of the bill, and have the replacement fees waived in their entirety. If the account is not resolved within 60 days of its original due date, the account balance will be submitted to City Hall. City Hall may apply the replacement fees towards city utilities or submit the total to the Iowa Offset program.

Items checked out through the Interlibrary Loan system will have a \$0.25 per day charge, as these items do not belong to our library.

The library staff reserves the right to deny checkout privileges to any patron who has abused the privileges either by not returning overdue materials, by consistently having long overdue materials that require repeated notifications, or repeatedly returning damaged items. This also includes interlibrary loan services.

Overdue Procedures:

1. Each week library records will be checked out for items overdue 7 days or more. Shelves will be checked to make sure items are not in the library. Records will be kept on each contact the library makes to assure accurate reporting of all notice and messages from the library, as well as from the patron.
2. First and second notices will be made via phone call or email, depending on the patron's preference. If the person cannot be reached by phone or email, they will be sent a letter or postcard.
3. If the items are not returned 14 days after the first notice is made (21 days total), the patron will receive a third notification from the Library Director notifying them that if the items are not returned in 7 days (30 days overdue), they will be billed for the replacement costs of each item and those charges may be applied to other city utility bills.
4. If the library still has not received the items after 30 days, the replacement cost will be sent to City Hall. Once a patron has paid for the replacement cost of an item, it is considered theirs to keep or donate back to the library. The library does not issue refunds to patrons who pay for the replacement cost of a lost or damaged item that is later recovered/repared.

Renewals and Reserves

Reserves can be made via email or over the phone, though it is recommended/preferred that reservations be made through a patron's online account through the library's OPAC (Online Public Access Catalog). Patrons can access their accounts through the OPAC by entering their last name for the user name, and their home phone number as the initial login password.

Library materials can be renewed up to 3 (three) times, as long as there is not a waiting list. Patrons may ask to have their names placed on a Reserve List for any new or popular items, free of charge, at the circulation desk or by subscribing to their favorite authors through their online account (see staff for more details on this service). Patrons must have a valid library card with no outstanding fees or overdue items. Patrons have five business days to pick up items after being phoned or emailed by the library, otherwise the item will be passed on to the next person on the Reserves List. An item on the Reserve List will not be renewable. Patrons can also renew and reserve materials from home through our library's online catalog.

To automatically be placed on the reserve lists for popular authors, patrons can use "favorite authors" feature on their online account. See staff for assistance with this online feature.

Open access patrons outside of Clinton County will not be able to place items on reserve, as DeWitt and Clinton County residents should have first priority on all materials.

Equipment Use

The library has a number of items available for checkout including laptops and video projectors. Groups hoping to use the screen in the meeting room should notify library staff when making room reservations.

To learn more about the Library's Laptop Lending policy, see the library staff for more details.

Interlibrary Loan Service

There are times when a library customer will want an item that our library does not own. Interlibrary loan, where one library borrows from another to fill a customer's request, is a basic library service. Offering interlibrary loan to customers is a way of providing our users with "equal access" to information regardless of the size or location of a community. Interlibrary loan in Iowa is made possible by SILO, State of Iowa Libraries Online.

Patrons wishing to order a book through our interlibrary loan service must fill out an Interlibrary Loan Request Form either at the library or on the form provided on our website. The library staff then notify you when the materials arrive. There is a \$3.00 charge to help pay for postage. Interlibrary Loan materials should be picked up as soon as possible because the lending library sets the loan period, which can be anywhere from two to four weeks. If interlibrary loan items are overdue, fines are \$0.25 per day, per item. Renewals are based on the lending library's policy and are not always possible. See staff for details.

Interlibrary Loan Service is available to DeWitt residents, residents of rural Clinton County, and residents from contracting cities. Per State of Iowa Library policy, Open Access patrons must use their home library for Interlibrary Loan services.

Educator Cards

~~Teachers, other educators, and Homeschoolers who would like to check out materials to share as part of the classroom can apply for an Educator Card, separate from their personal library account. These accounts automatically extend due dates for an extra two weeks.~~ Teachers, other educators, and Homeschoolers can ask for an additional 4-week extension on materials that are being used as part of the classroom or curriculum (6 weeks total). Educators simply need to notify staff that materials are being used in the classroom to have due dates extended. Popular/new materials recently added to the collection are not eligible for checkout on educator cards.

Homebound Library Services

DeWitt residents who have difficulty visiting the library facility due to temporary or permanent disability are encouraged to apply for the Homebound Library Services program. Once a month a staff member or volunteer drops off hand-picked library materials to Homebound patrons, and pick up any currently checked out materials. See staff for more details about this program.

Reference Service

Reference is the personal assistance given by library staff to individuals in search of information. Through a reference interview, library staff finds out exactly what the customer (adults and children) needs and connect the customer with the resource where that information can be found. Resources include information found in print, non-print, Internet, or databases.

A major function of the reference collection is to provide the public with accurate up-to-date, readily accessible information on a wide variety of topics.

Every public library in Iowa has access to Gale Learning Resources an online database providing full text access to magazines and journals. These databases are provided by Iowa Library Services.

In-Person reference questions, needing immediate attention will be answered first. If a person calls the library and can wait, the customer's name, phone number, and reference question will be recorded. The library will then return their call as soon as possible with an answer. Patrons can email the library staff with questions and library staff will email or phone the customer as soon as possible.

Iowa Library Services provides back-up reference services to our library. Back-up reference questions can be emailed, phoned, faxed, or mailed to Iowa Library Services. Often answers come within hours, but more complex questions may take several days to answer thoroughly.
